Dear all,

I would like to thank you for all your hard work which made this year's Ceilidh at the European Seafood Exposition such a success.

Both Roseanna Cunningham, Minister for Environment, and I found it a very enjoyable experience and thought it was an excellent event to showcase the best of Scotland. Everyone involved impressed me with their enthusiasm throughout the evening and I appreciate a great deal of effort is involved to create and run an event like the Ceilidh.

Once again thank you for a wonderful evening.

Yours sincerely,
